THE BRUGES CANAL COMPLETELY BLOCKED WHEN BRITISH SINK OLD CRUISERS LOADED WITH CONCRETE IN THE MOUTH OF THE CHANNEL. SIR ERIC GEDDES ANNOUNCES.

REASONABLE SUCCESS OF RAID REPORTED

ACTIVITY OF GERMAN LAND FORCES INDICATES ANOTHER OFFENSIVE IS FORMING IN FRANCE.

London, April 23.—(Associated Press Cable)—British naval forces today raided the German submarine bases of Ostend and Zeebrugge, the Admiralty announces. Five old cruisers which had been filled with concrete for use in blocking the channels were run aground, blown up and abandoned by their crews.

The Admiralty reports that according to incomplete information the raid met with a reasonable measure of success.

The ports of Ostend and Zeebrugge on the Belgian coasts are the principal bases for operation of the submarines against shipping in the North Sea and the English Channel. They are of great importance to the Germans and it has been recognized by the allies that to deprive the enemy of them would be one of the most effective means of dealing with the submarines.

Various measures have been adopted to destroy the submarines on entering and leaving these ports.

Field Marshal Haig's offensive in Flanders last summer was generally believed to have had as one of its main objectives the bending back of the German northern flank so as to deprive the enemy of these two ports.

BRUGES CANAL BLOCKED

In all probability the entrance to the Bruges canal has been blocked effectively in consequence of the naval raid, sir Eric Geddes, First Lord of the Admiralty announced today in the House of Commons.

ORIGINATOR OF PLAN KILLED

London, April 23.—(Associated Press Cable)—While the operation was in progress, Sir Eric announced, British parties were landed to distract the enemy. The officer who developed the scheme of attack was killed.

Storming parties were landed on the mole from the *Crusier Vindictive*. The casualties to the personnel, said Sir Eric, were heavy in proportion to the number engaged. An enemy destroyer was torpedoed at Zeebrugge.

Two of the blockading ships were sunk and blown up at the entrance of the Bruges canal. The piling beside the mole at Zebrugge was blown up by an obsolete submarine filled with explosives.

The casualties to British craft was one destroyer and two coastal motor boats sunk and two launches missing.

HUNGARIAN ARMY RUSHING TO FRONT

By Associated Press Dispatch.

Washington, April 23.—Diplomatic dispatches today from Berne and Hungarian troops have arrived in Belgium. Many troop trains have passed through Liege. The presence of many Austrians was reported also at Antwerp and Ghent.

RESOLUTION MEANS WAR

By Associated Press Dispatch.

Washington, April 23.—The declaration of the Guatemalan assembly that Guatemala occupies the same position toward the European belligerents as does the United States constitutes a declaration of war on Germany and her allies, the Guatemalan minister, Joaquin Mendez, today announced. The action was taken, the minister's statement reveals, a result of an exchange of notes between the United States State Department and the Guatemalan legation here.

learned that relations between Holland and Germany are very strained. The dispute about the supply of gravel from Holland to Germany was said to have been the cause.

Official and diplomatic circles in London were reported to look upon the situation with uneasiness. Rumors were that something like an ultimatum had been delivered to Holland by Germany.

The Handelsblad of Amsterdam on Monday expressed the belief that Germany would not hesitate to use communications through Holland even at the risk of war if she believed by doing so victory could be achieved on the western front.

It was reported recently that Germany looked with disfavor upon Holland's attitude toward the seizure by the United States and Great Britain of Dutch tonnage in American and British ports.

TO CURTAIL PLEASURE CAR PRODUCTION

Automobile Manufacturers Confer with National Authorities.

May Cut Production of Pleasure Cars to 25 Percent of Present Output.

By Associated Press Dispatch.

Washington, April 23.—Leading representatives of the automobile industry came here today to discuss with the Fuel Administration and the War Industries Board a further curtailment of the manufacture of pleasure cars.

The curtailment, if effective, would restrict the manufacturers of pleasure cars to about 25 percent of normal production.

AGITATORS IN A FATAL DUEL

By Associated Press Dispatch.

San Francisco, Cal., April 24.—Ram Chandra, editor of the Hindoo publication, Ghadr (Revolution) was shot probably fatally, here today by Ram Singh, another Hindoo, defendant in the trial of 32 persons charged with conspiring to foment revolution against British rule in India. Court had just adjourned for the noon recess. United States Marshal J. B. Holohan, who was present across the court room from Singh drew his revolver and shot Singh who fell to the floor.

Ensuing wild confusion and a stampede for the door were quelled by United States District Judge Wm. C. Van Fleet who returned from his chamber as the shooting began and ordered the room cleared and placed in charge of a guard.

BOTH DEAD

Ram Chandra and Ram Singh both were dead when examined by physicians.

MANY HOUSES IN PHILADELPHIA COMMANDEERED

By Associated Press Dispatch.

Philadelphia, April 23.—Five hundred houses in the southeastern section of the city have been commandeered by the emergency fleet corporation to be used as homes for the Hog Island shipyard workmen.

There are 23,000 men at the yards. Immense barracks had been built for some of the men but these were inadequate and it became necessary to take drastic action.

ARGENTINE AND URUGUAY WILL BREAK

German Newspapers Are Already Preparing the Public for Happening.

Uruguay Broke Off Diplomatic Relations Sometime Ago.

(Associated Press Cable.)

London, April 23.—Uruguay and Argentina are expected to declare war against Germany at an early date, according to Berlin advices forwarded by the Exchange Telegraph correspondent at Amsterdam. The German newspapers have been notified to prepare the German public for this development, he adds.

Uruguay's relations with Germany are known to have been tense for some time. On April 12 a dispatch indicated a Uruguayan mission to France had been captured by a German submarine. Uruguay had asked Berlin through Switzerland if Germany considered a state of war existed with Uruguay.

If the reply should be in the affirmative Uruguay would declare a state of war.

Uruguay definitely broke diplomatic relations with Germany October 7, last. The attitude of Uruguay toward the United States as a belligerent had previously been markedly sympathetic.

Argentina apparently has been on the verge of breaking relations with Germany over the submarine situation several times.

There has been little diplomatic communication between Buenos Aires and Berlin since last summer. Dispatches from Buenos Aires in February indicated a growing tenseness in the relations and a growing anti-German sentiment.

Since then demonstrations have been held in the Argentinian capital in celebration of the entry of the United States into the war and the Uruguayan authorities have made it

ENEMY MASS TAKEN UNDER BRITISH FIRE

Paris Reports Considerable Artillery Activity in the Somme Region.

British Improve Defensive Position During Night.

French Airmen Drop Many Tons of Bombs on Military Bases of Enemy.

By Associated Press Dispatch.

There are evidences of German concentration for a renewal of the great battle on the Somme front. Field Marshal Haig reports activity of this nature in the vicinity of Villers Bretonneux where the German wedge south of the Somme has been pushed further toward Amiens.

The enemy masses were taken under fire by the British artillery as were similar concentrations north of the Somme near Serre, 7 miles north of Albert.

The Germans are heavily bombarding the region west of Albert and the entire northern side of the salient along the Lys on the Flanders front.

The Paris war office reports considerable artillery activity in the Somme battle area.

The chief activity of the British infantry last night was north of Albert where the defensive position was improved and 60 prisoners taken. Local fighting in which the British had the advantage occurred on the Lys front near Robecq and in the neighborhood of Wytschaete in the region to the northeast.

The French airmen are harassing the enemy by dropping many tons of bombs on his military establishments behind both fronts. In aerial fighting 27 German airplanes have been accounted for by the allied aviators.

General Pershing is understood to have reported to Washington that the American casualties in Saturday's fighting exceeded 200 and that those of the enemy were between 300 and 400.

Fighting operations in Macedonia, although evidently not on a large scale are quite active. The Allied artillery has been firing heavily.

FAYETTE BOYS NOT IN RECENT BATTLE

It can be stated with almost certainty that Fayette county men were not engaged in the recent battle in which 200 Americans and 400 Germans were either killed, captured or wounded.

The Fayette Co. men who have been stationed on the Lunenburg sector, east of Nancy, which is some 40 miles from the sector where the Germans launched their heavy attack last Saturday and unless the Fayette county troops have been moved to another sector, they are still on the Lunenburg sector.

RED CROSS ACTIVITIES

The American Red Cross is establishing at Vassar College a summer training camp for nurses in which distinguished specialists will give an intensive preparatory course for college graduates. This makes an important addition to the facilities for training the large number of women required for the great work which the Red Cross is performing. Trained nurses constitute an important part of our national defense; they are rendering a service of the utmost value, and many capable young college women will be glad to take advantage of the opportunity offered by the Vassar course this summer to fit themselves for this imperative work. The spirit of loyal service, shown in America by women, has set the pace for the men. We may be sure their response to this call will be so ready that no one in America can say—"There is lack of woman's nursing."

Woman's Committee C. N. D. Indorses Plans.

Graduates of approved colleges of high standing who are members of the class of 1918, or belonging to classes of the last 10 years, including 1909, are eligible for the Vassar course. All candidates for admission must be in sound health. The student fee for the course is \$95.00. This provides for registration, board, room and laundry. Applications should be addressed to the Training Camp for Nurses, Vassar College, Poughkeepsie, N. Y.

The Woman's Committee, in executive session, moved to indorse the plan for intensive training of nurses initiated by Vassar. The Vassar alumnae conceived the idea of giving to college graduates of the last 10 years such training as would give a nurse's certificate for three years, in two. Students will have their laboratory work at Vassar during the three summer months, for which a faculty of distinction is promised. The cost will be carried under the Red Cross fund for that purpose, the students paying only a nominal sum for board and laundry.

When this training is over the best hospitals of the country will open their doors to the students. They will receive without any expense eighteen months' instructive work. Applications should be made to Dean Herbert C. Mills, director, Vassar College, Poughkeepsie, N. Y. Only a certain number can be finally received, and details will be furnished at once.

It is possible that there will be local women who are interested in this wonderful branch of service sufficiently to take the Vassar course.

Can Women Wear Red Cross Uniforms At Bazaars?

The question "are women privileged to wear Red Cross nurses' uniforms or the Red Cross emblem or costumes at fairs, bazaars or parties the proceeds of which are to be devoted to the Red Cross?" is answered in the American National Red Cross official department edited by William Howard Taft, chairman of the Central Committee in the Ladies' Home Journal. Women are absolutely not so privileged. In fact there are specific laws against so doing with specific punishments for their infraction.

Sale Nets Big Sum.

The sale of eatables given sometime ago under the auspices of the Women's Relief Corps for the benefit of the Red Cross netted the sum of forty-five dollars. To this sum was added money donations, bringing the total amount up to eighty-three dollars.

The Relief Corps is most appreciative of the money and articles that were donated by the women out side of the organization, and for the interest shown in the sale.

The sale was most successfully managed under the direction of the special committee, Mrs. Sarah Sollars, Mrs. F. M. McCoy and Mrs. Valentine Hoppes.

PATRIOTIC PAGEANT IN PUBLIC SCHOOLS

That the public is supremely interested in entertainments put on under the school management was proved beyond a doubt in the record breaking audiences which witnessed the Senior play Friday and Monday nights.

The next thing on the school calendar will be a Patriotic Pageant in which the pupils from the fourth to the eighth grades of Central, Sunnyside, Cherry Hill and Eastside will participate on May 17th.

This pageant will be conducted along the same lines as the one recently crowned with success in Columbus. It will introduce the dances of the Allies and neutrals following an Operetta, the "Childhood of Hi-

watha" and closing with a tableau that will be purely American.

The entertainment will be one of the most attractive ever staged by the local schools—the children beautifully costumed in the dress of the nation represented and the brilliancy of the pageant features accentuated in every way.

The music will be largely folk and national songs and the entire program one to which the public may look forward with eagerness.

The program has been arranged in three parts under the direction of Miss Elizabeth Sheen, musical supervisor of the Public Schools, assisted by the teachers of the grades taking part.

PART I

Operetta—"Childhood of Hiawatha"—to be put on in action—scenery and costumes Indian—by 6th grades of Central.

Bessie M. Whitely is the composer of the Operetta, which is exceedingly tuneful.

PART II

Each of the grades from 4th to 8th will present one of the "Dances of our Allies and Neutrals."

Sunnyside—English May Pole.

Cherry Hill—Swedish.

Eastside—Italian and Irish.

Central—Japanese, Scotch, French, and Russian.

American—Virginia Red and Minuet.

PART III

WAR DRIVE ON AT MILLEDGEVILLE

A meeting will be held in the I. O. O. F. hall at Milledgeville Wednesday night at 8 o'clock to organize Jasper township for a War Chest drive, and in connection with it a big auction sale.

Hon. J. D. Post will address the meeting and has offered to take up the High School Glee Club to sing if the clubs are willing to go.

The Milledgeville orchestra has patriotically offered its services for whatever war services are needed and will add to the pleasure of the meeting in popular music.

Every resident of Jasper township is urged to be present and an invitation is extended to the Fayette county public generally.

Kaiser Bill will get some reception when he crosses the River Styx. Hasten the day by buying a Liberty Bond.

HARDWARE STORE HAS NEW OWNER

Mr. William S. Fogle, of Broadway, Union County, has purchased of Homer Samson his hardware store in this city, and assumes charge without delay.

Mr. Samson retains the vehicle business which he has been conducting in connection with the store since he purchased it of Elmer Junk of this city, and will be located in the corner building owned by Os McClellan, on the opposite side of the street from the location of the present hardware store.

Mr. Fogle has had considerable experience in handling merchandise generally, and will be welcomed into the business circles of the city.

OFFICE HOURS CHANGED IN H. S. DEPARTMENT

The Red Cross Home Service department has decided to hold office hours on Saturday afternoon, 2 to 4, o'clock only at the headquarters in the War Work Council room, except by appointment. This is due to the fact that the secretary, Miss Mary Robinson, is finding too many outside calls to permit of three afternoons given over to office hours, as first planned.

HOW TO BRING SUIT AGAINST RAILROADS

The following general order from the Director General of the railroads of the United States, relative to the filing of legal actions against railroads is self explanatory:

General Order No. 18.

"Whereas the Act of Congress approved March 21, 1918, entitled, 'An Act to Provide for the Operation of Transportation Systems While Under Federal Control,' provides (Section 10) 'That carriers while under Federal control shall be subject to all laws and liabilities as common carriers, whether arising under State or Federal laws or at common law, except in so far as may be inconsistent with the provisions of this act or with any order of the President. But no process, mesne or final, shall be levied against any property under such Federal control;'

and "Whereas it appears that suits against the carriers for personal injuries, freight and damage claims, are being brought in states and jurisdictions far remote from the place where plaintiffs reside or where the cause of action arose; the effect thereof being that men operating the trains engaged in hauling war materials, troops, munitions, or supplies, are required to leave their trains and attend court as witnesses, and travel sometimes for hundreds of miles from their work,

necessitating absence from their trains for days and sometimes for a week or more; which practice is highly prejudicial to the just interests of the Government and seriously interferes with the physical operation of railroads and the practice of suing in remote jurisdictions is not necessary for the protection of the rights or the just interests of plaintiffs.

"It is therefore ordered that all suits against carriers while under Federal control must be brought in the county or district where the plaintiff resides, or in the county or district where the cause of action arose.

"W. G. McADOO, Director General of Railroads."

Poetry For Today

GET SOMEBODY ELSE
 The Lord had a job for me,
 But I had so much to do,
 I said, "You get somebody else,
 Or wait till I get through."

I don't know how the Lord came out,
 But He seemed to get along;
 But I felt a kind o' sneakin'-like—
 Knewed I'd done God wrong.

One day I needed the Lord,
 Needed Him right away,
 But He never answered me at all,
 And I could hear him say.

Down in my accusing heart:
 "Nigger, I've got too much to do
 You get somebody else,
 Or wait till I get through."

Now, when the Lord He have a job
 for me
 I never tries to shirk;
 I drops what I have on hand,
 And does the good Lord's work.

And my affairs can run along,
 Or wait till I get through;
 Nobody else can do the work
 That God marked out for you.
 —Paul Lawrence Dunbar.

EFFORT TO EXHAUST THE FRENCH RESERVE

Paris, April 23.—By constantly extending their drives into new sectors the Germans unquestionably hope to exhaust the French reserves, which already are sustaining the British armies clear to the North sea. These tactics make it imperative that America rush troops as fast as possible. There are numerous indications that the Germans are preparing for a fresh drive between Amiens and Arras, harmonizing with their system of exploiting drives when successful and abandoning those where the enemy resists. This, the German strategists believe, permits them to avoid useless sacrifices, but they maintain their temporarily abandoned drives in a condition permitting immediate resumption of the offensive.

PORTABLE SCHOOLS

By Associated Press Dispatch.
 Warren, O., April 23.—Warren is to have portable school buildings to meet the demand for more room. The board of education has contracted for the purchase of five two-room portable buildings. These will be placed where congestion is the greatest and moved as new buildings are erected.

CORN WORTHLESS

Wooster, O., April 23.—Corn left in the field during last winter has proved worthless for seed purposes when tested for germination at the Ohio Agricultural Experiment Station here, as the freezing temperatures killed the germs. The same kind of corn gathered last fall and stored in a warm, dry place now tests about 100 percent in germination.

CLOSE HOTELS

(Associated Press Correspondence)
 Amsterdam, April 10.—The Kaiserhof Hotel, which is now to be taken over by the German Government, is the twenty-fourth Berlin hotel to be commandeered or closed. Before the war there were 15,000 hotel beds available for visitors in Berlin. The number now is slightly above 10,000.

Social and Personal

Mr. and Mrs. Frank Plymire, of South Main street, are announcing the marriage of their daughter Anita, to Mr. Ralph Auch, of Chillicothe, to take place, Wednesday, April twenty-fourth at four-thirty o'clock at the Presbyterian Church, Washington C. H., Ohio.

The series of Community Dances to be given for the Red Cross will be opened Friday night at the Eagles' Hall and from the interest which is being taken promises to be a "Community Dance" in the fullest sense.

For those who do not enjoy dancing there will be additional pleasure, aside from the music and the gay scene, in clog dances, especially put on for entertainment.

Many season tickets which make the price of the four dances extremely small, have already been sold.

The fraternal orders are lending generous support and assisting in the sale of tickets. The Mason's have taken a hundred and the I. O. O. F. the K. of P. and the Eagles each fifty which they hope to dispose of—the Eagles are also donating the hall.

The grand march will start promptly at eight o'clock, Friday night. The entire proceeds go to the Red Cross.

Mrs. J. W. Elliot delightfully entertained the Tuesday Kensington Club this afternoon.

Spring flowers bloomed invitingly throughout the rooms and a tempting collation was served.

The Seniors who so successfully put on the class play "If I Only Had a Million," convened at the home of Arthur Lewis, one of the caste, after the performance of Monday night, for a jolly little spread.

Mr. G. L. Todhunter, of Greenfield, spent Monday with his parents, Mr. and Mrs. J. E. Todhunter.

Mr. Sam DeVries was down from Columbus Monday spending the day with his family.

Mrs. Carrie B. Willis, daughter, Miss Lina and son Willis, and Miss Susan Putnam motored to Camp Sherman, Monday evening to see Sergeant Robert Willis who leaves today for Camp Gordon, Atlanta, Ga.

Mrs. Joseph James, of Wilmington, is visiting her sister, Mrs. Martha Gallup, and niece Mrs. E. N. Holloway.

NOTICE!

PLAY REPEATED PACKS THE HOUSE

The Senior Class play, "If I Only Had a Million," played for the second time to a capacity house Monday night, the demand for seats again exceeding the number on the plat as it did for the first performance.

The audience of Monday night was as enthusiastic over the entertaining play, the good acting and staging under the direction of Miss Harbison and Mr. Pyley as was the Friday night audience.

The orchestra played beautifully and every thing went off smoothly. Between acts Supt. McClain made a short talk expressing with appreciative words the gratification afforded by such unprecedented showing of public interest.

DELIVERS THREE HANDSOME TRUCKS

Three attractive new trucks, to be used by local business firms, are being delivered this week by Fuller Hess, one of the trucks, a Vim, being purchased by the Stutson department store, the second, a Ward Electric, by The Sauer Bakery for use in delivering bread, and the third by the C. H. Moore Furniture Company. The last mentioned is a Republic 3 ton truck, and will be used in the delivery of furniture, as well as the transfer of furniture from the freight depots.

The electric purchased by the Sauer Bakery is the only one in the city.

Mr. Hess has loaned his Vim fire truck to the War Chest committee for advertising the War Chest, and this will be in use daily for the next several days, while the city and county are thoroughly billed for the War Chest campaign.

NOT DISLOYAL—JUST AFTER KAISER BILL

By Associated Press Dispatch. Cleveland, O., April 23.—Started when they saw a man jump from his seat, tear down a Liberty Loan poster and crumple it, passengers on a street car were in a threatening mood when Patrolman John Palm came to the rescue.

"Mob him! Lynch the traitor!" and other threatening was heard from the passengers. The patrolman, in plain clothes, counselled against violence. Not satisfied several men and women followed the officer and his prisoner to the police station.

"No good, no good; me no like," was the only answer the man gave when questioned. To the surprise of all two Liberty Bonds were found in the Italian's pocket when searched. An interpreter was called. A few minutes later the prisoner was released—not as a traitor, but as a loyalist. Through the interpreter the man explained he could not read English, and therefore could not tell what was printed on the poster, but he did recognize the picture of the Kaiser and he detested the war lord so much he felt like the street car was no place to exhibit his portrait.

NEED EXTENSION OF STATE T. B. HOSPITAL

By Associated Press Dispatch. Columbus, O., April 23.—Unless the American Red Cross signifies a willingness to provide \$50,000 to erect buildings at the Ohio State Tuberculosis Sanatorium, Mt. Vernon, for the care of men discharged from the army because of tuberculosis, the state will have to find some means of providing such accommodations, according to a statement made by the State Department of Health.

The War Department has declared, in response to inquiries from the Department of Health that it does not consider the government liable for the care of the discharged soldiers, holding that in most cases the disease existed prior to the man's entering the service.

The State Board of Administration which has charge of the Mt. Vernon sanatorium, says it has no funds for this purpose and the state emergency fund is exhausted. The Board of Administration, however, offered to provide for the maintenance of the building, if means can be provided for construction. The Health Department is awaiting word from the Red Cross as to the possibility of that organization's financing the enterprise.

HAVER FOR DRUGS

THE GREAT GUNS OF FRENCH ARMY

The Schneider-Creusot works, the ammunition works where the greatest number of famous French 75 mm. guns are made, covers a total area of 15,000 acres, 150 of which are used for buildings. To connect the different parts of the big plant 180 miles of railroad track are needed and 65 locomotives and 5,700 cars. A total of 116,000 horsepower is employed in operating the works, of which 4,600 horsepower is electric. This plant has 80,000 employees and 4,200 machine tools in operation. One of these is 160 feet long. Outside the Schneider-Creusot works, France has, of course, a great number of other important armament plants. Several of these are entirely new. The 75mm. gun will shoot as many as sixteen shells a minute, and there are guns which have fired 2,000 shells a day. This means that 4000 to 5000 men will have to be continually on the job to make the shells needed for eight guns only. Of course, it happens very rarely that one gun is called upon for such an achievement; but it is generally said that the French fired during the battle of the Marne at least 150,000 shells, weighing approximately 1,550 tons. A factory equipment costing approximately \$90,000 is required to turn out 100,000 rifle cartridges a day, enough for a regiment of men for a day's battle. Many of these shells are turned out in cases which already have seen service on the front. For many months France has carefully gathered up her "75" shell cases on the battlefield and sent them back to the factories to be used again.

HAS FIRST OFFER FOR KAISER'S GOAT

Regarding the "Kaiser's Goat" sold at Jeffersonville, to be sold at the East Wayne auction Wednesday, and which Billy Ireland proposes to sell in Columbus, Monday's Dispatch says:

"Mayor George J. Karb received a telegram Monday from Frank M. Fullerton, Washington C. H., submitting an initial bid of \$25 on Billy Ireland's 'Bill Kaiser Goat,' as was proposed by The Dispatch cartoonist in Sunday's Passing Show. Later in the day he received a letter from Mr. Fullerton enclosing his personal check for \$25 and suggesting that the proceeds of the goat auction be devoted to the French orphans.

"The Fullerton wire, announcing the initial bid, read as follows: 'Will start ball rolling—bid \$25 Uncle Sam's good money for Ireland's Bill Kaiser goat. Money on way.' 'The mayor is now looking for further bids on the Ireland goat.'

STATE SECRETARY TO ATTEND CONVENTION

A. T. Arnold, General secretary of the Ohio Sunday School association will attend the county Sunday School Convention at Sugar Grove, April 24 and 25.

Mr. Arnold is touring the state with a view of interesting Sunday School workers in the coming state convention to be held in Springfield, May 28, 29, 30, 31, where an elaborate program has been arranged. Senator Lawrence Y. Sherman, Prof. H. Augustine Smith of Boston University, Dr. W. W. Boyd, president of Western College for Women at Oxford; Fred C. Croxton, state food administration for Ohio; Frank L. Brown,

joint general secretary of the World's Sunday School association, and others, will address the state convention. While here Mr. Arnold will call attention to the present plans of the association for war work and the promotion through the organization of the various war activities.

Plans for Children's Week, to be held throughout the state during the week of May 5, emphasizing the intellectual and religious education of children, will be discussed by Mr. Arnold. Each minister in the state will be asked to preach a sermon May 5 for its observance.

Mrs. Phebe A. Curtiss, superintendent of the Elementary Division of the Sunday School association, will also speak at the county convention here.

WHEAT COMING IN TO HELP WIN WAR

During the past few days thousands of bushels of wheat have been marketed by Fayette county farmers who are awakening to the urgent need of grain as one of the vital factors in winning the war and preventing the starvation of America's allies.

It is estimated that during the present month fully 20,000 bushels of wheat have been marketed in Fayette county, and that 20,000 to 25,000 additional bushels of the grain remains in the hands of farmers.

All wheat in the possession of the farmers must be marketed before May 1st, or stores of wheat will be commandeered by the government after that date. Loyal farmers everywhere are responding to the call of their country.

SCHOOL BUILDING NOW UNDER ROOF

The centralized school building located on the Greenfield pike, in Union township, is now under roof and the remainder of the work on the structure will be carried forward without regard to the condition of the weather. It will be the first of the three centralized school buildings in Union township to be completed.

The centralized building at Chaffins, on the Jamestown pike, is virtually ready for the roof, while the bricklayers are now at work on the school building at Eber.

Present indications are that the three buildings will be finished this summer and be ready for use when school opens next fall.

BANNER RED CROSS SEAL YEAR IN OHIO

More Red Cross Christmas Seals were sold in Ohio in the 1917 campaign than in any other previous year. The final report of the seal sale as given out by Mr. S. Livingston Mather, Chairman, shows that a net gain of about one and a half million seals was registered in 1917 as compared with the campaign of 1916. To be exact there were 7,534,236 seals sold this year as against 6,210,059 seals sold in 1916.

The gross proceeds from seal sale increased proportionately. The amount raised in 1917 was \$75,542.36, as against \$62,100.99 in 1916. There remained in local communities throughout the state the sum of \$56,637.92; the Ohio Society for the Prevention of Tuberculosis received \$11,331.13; and the American Red Cross received \$6,623.97. All of this money will be used during the coming year to carry on the fight against tuberculosis.

Local agencies handling the sale of seals also show an increase. There was a total of 108 agencies in 1916, as compared with a total of 216 local agencies this year. Most of the new agents secured this year were superintendents, principals and teachers in the public schools, who cooperated with the State Society in a splendid manner.

While the slogan of "Ten Million Seals in Ohio" adopted by the State Seal Sale Committee was not reached the encouraging increase in the number of seals sold this year gives every reason to expect that the slogan will be reached in the sale of 1918.

TOBACCO FUND IS RAISED FOR TROOPS

Responding to a letter from Prof. Loren Stuckey, formerly of this county but who recently surrendered his position at the head of a college to take up Community Service work with the American forces and is now located on Long Island, members of Confidence Lodge, Knights of Pythias, Monday night raised \$14 for cigars, tobacco and candy for the soldiers, to be disbursed by Prof. Stuckey. This fund will probably be increased to \$25 within the next day or two and the amount forwarded.

SCHOOL BUILDINGS SELL FOR A SONG

The six school buildings in Paint township where were sold to highest bidder, were disposed of at very modest prices, the entire 6 buildings all of which were of brick except the Merriweather school on the State road, bringing a total of only \$1160, or less than 200 each. Three of them sold for only \$150 each, there being little or no opposition to successful bidders.

The various schools, and the name of buyers follow:

U. S. PRISONERS ARE ILL TREATED BY THE GERMANS

Washington, April 23.—Though without any official information to confirm press reports of ill treatment of American prisoners of war in Germany, the state department has instituted an inquiry to develop the facts. If facts conform to the published accounts a protest will be promptly made through the Spanish government, which has taken over American diplomatic representation at Berlin. If the protest is unavailing, measures of retaliation will be considered.

German prisoners of war in America largely outnumber Americans held in German prison camps and include the crews of German raiders and prizes, in addition to the crew of the German submarine U-58. These prisoners have been treated with a degree of liberality that has caused adverse criticism in some quarters and in marked contrast to the treatment said to have been accorded prisoners in Germany.

One difficulty in the way of retaliation, it is said, is that it might lend color to the stories of American cruelties told by the German military commanders to their troops to deter them from deserting. That such stories have been told has been testified to by prisoners taken by General Pershing's men.

It was said at the state department that much difficulty is expected in ascertaining the facts concerning the condition of American prisoners in Germany. Former Ambassador Gerard, who was in charge of British and French interests at Berlin before the United States entered the war, found it almost impossible to learn real conditions in German prison camps, because he was permitted to see only such of the camps and such parts of them as the Germans chose to exhibit. It is regarded as probable that the Spanish ambassador to Berlin would have a similar experience. The state department's inquiry will extend to the charges that American prisoners have not been allowed to receive the packages of food and clothing sent them by the American Red Cross, and which, under the rules of war, they are entitled to receive.

AMERICANS HOLDING ALL POSITIONS

Washington, April 23.—American forces in the battle of Seicheprey, while suffering the heaviest losses of their fighting to date, inflicted casualties number close to 500 on the Germans. General Pershing reported to the war department. The losses have not been checked up but are known to have been less than the Germans. It was stated.

Nothing has been made public as yet regarding the total Americans captured, but war department officers said it was not improbable that both sides had made numerous captures. The Germans claim to have captured 183 Americans and to have killed and wounded many more, and so far there has been no official American denial.

The Americans have retaken all the positions lost in Saturday's strategic retreat. The ground was covered with enemy dead, showing the heavy cost of their assault. Latest reports show that the Americans, although outnumbered, valiantly withstood the onslaught of three waves of storm troops. A German barrage behind their own troops forced their advancing infantry across No Man's Land into the attack. In the artillery wrecked villages in the rear, Red Cross, Salvation Army and canteen workers bravely stuck, helping the wounded and serving coffee to exhausted soldiers.

MORE OFFICERS OF D. T. & I. QUIT

R. C. Greenaway, for about eight years associated with the D. T. & I. railroad, has resigned his position as chief clerk to General Superintendent A. H. Jones, and superintendent of the telegraph, to accept a position as assistant to the general manager and purchasing agent of the Gulf, Florida and Alabama road.

The resignation is also announced of G. W. Thompson, who has left to take up his duties with the St. Louis and San Francisco lines. His association with the D. T. & I. lines was in the capacity of assistant to the president and purchasing agent.

Other resignations in the D. T. & I. offices are rumored, among them that of F. C. Parkinson, commercial agent.

Corn Meal Crust For Pies

Grease a pie tin. Cover it with dry corn meal by shaking with a rotary motion. Have corn meal covering pan to a depth of 1-16 to 1-8 inch. Fill with pie mixture. Bake.

Barley Pudding

5 cups milk; 1 1/2 cup barley meal; 1/2 cup molasses; 1 1/2 teaspoon salt; 2 tablespoons sugar; 1 teaspoon ginger. Scald the milk, pour this on the meal and cook in double boiler twenty minutes; add molasses, salt, sugar and ginger. Pour into greased pudding dish and bake two hours in a slow oven. Serve either hot or cold with top milk.

Oatmeal Fruit Meringue

Turn left-over oatmeal into a round mold and cool. When cold turn out, cut in slices 1/2 inch thick, put one slice in a round dish, put a layer of berries or sliced peaches on it and on top of this another slice of oatmeal. Beat the whites of 2 eggs until light, add 4 tablespoons powdered sugar and beat until fine and glossy. Spread this meringue over the top of the fruit and oat meal, dust with powdered sugar and stand in the oven until a golden brown. Yolks of eggs may be used to make a custard.)
